

<b>Narcissist “Dismissive”</b>	<b>Sociopath “Schemer”</b>	<b>Psychopath “Predator”</b>
Overvalue themselves Under value you	Rules don't apply to them Always scheming	Strong criminal mind
Just a pawn	“I'm not like most people” Inflated	No conscious – zero!
Entitlement: Don't care.	No morality: meaningless	No regard for order - It's all about them
What they want, they get.	Cheating – multiple people at the same time	No compassion
Always right	Non-conformist/pleasure seeker	Do not attach to others/person. People are tools to be used.
Mindset: Strongly critical, annoyance	No remorse/guilt	Must be dominant
Troubled souls	No agonizing-No soul searching	Cold-blooded/ Bad temper
“I'm really glad I'm me And I'd hate to be you.”	Say what is expedient in the now	Punishment: severe & abusive
High need for control Low/no empathy	Chameleons that live to exploit	You are a pawn to be used by these individuals - nothing else
Exploitive and manipulative behaviors	Slick talkers – like pulling people in	Reckless disregard for any kind of order.
Must be in charge Must be superior	Can be intelligent - nothing there at gut level	No accountability
Alternate view of reality	Skilled at picking out people that can be duped – tend to work quickly	Operate on the fringes.

**Commonalities between the three**

- \*Your plea to them to see their dysfunction will be dismissed
- \*You will be harmed
- \*You exist to be exploited – You serve a function
- \*Little to no honesty – dealing with smoke and mirrors
- \*You are beneath them – no equality
- \*No regard for your well-being

- Don't do well in  
regular jobs.
- No one will tell  
them what to do.
